

In re: D.C. No. 2:23-cv-01407-JHC-DWC; C.A. No. 24-1315

I am the Petitioner in the above-numbered § 2254 habeas action pending in the district court. I am writing to request copies of any filings within the past three weeks due to issues with processing and delivering mail to Petitioner at FDC SeaTac.

I am providing the Court a true and correct copy of correspondence with Respondents as notice of an anticipated custodial transfer in the event that Respondents have not made notice to the Court as was verbally communicated to Petitioner. I have requested an Order from this Court issue for custodial transfer and ask that the Unopposed Motion for Custodial Transfer (Dkt. 44), which was noted for consideration on the motion calendar as March 15, 2024, be decided as Respondents have indicated that the Custodial Transfer and Treatment scheduled may need to be postponed until an Order from this Court addresses the issue.

Due to the issues with my mail at FDC SeaTac, I've filed a Motion for relief from deadlines until the filings are received as requested herein. The facility seems to process regular-sized envelopes best and I suggest standard envelopes be used if possible.

Dear Warden,

I have an emergency request requiring immediate action by the BOP and FDC SeaTac.

I still need physical documentation filed directly with the Court in the 28 USC Sec. 2241 habeas petition, Case No. 2:23-cv-01407-jhc-dwc, Parviz v. Barron, which is pending in the Western District of Washington. Nothing is filed by the BOP or FDC SeaTac and this is seriously delaying my treatment and scheduled surgery in violation of my constitutional rights to due process and be free of cruel and unusual punishment.

As you know, I cannot directly access PACER and following your last message of March 15, 2024, I was assured that the Court will be notified of the fact that a custodial transfer request was submitted on 2/23/2024 and that I am pending re-designation to another facility for treatment.

I was just informed by a third-party that FDC SeaTac and the BOP have NOT filed any notice(s) with the Court (the docket does not show anything to that effect). Please see to it that this is done IMMEDIATELY.

I will also need a copy of any notice(s).

Respectfully,

/s/ Mahsa Parviz

Just wanted to confirm the pending transfer... on 2/23/24, I filed an appeal of the 2/23 order in 2:23-cv-01407-jhc-dwc. FRAP 23 requires the court approve any movement so I submitted the unopposed motion for custodial transfer about a week ago requesting that I remain in custody and that I be transferred to another facility that can accomodate me for treatment as well.

Is there a single point of contact with whom I can communicate at the facility? I have a hard time reaching Mrs. Schmalz on the phone and email. Could Mr. Caughill relay information between us because It seems like some of the electronic messages I've sent are not being considered by Mrs. Schmalz.

Thank you

Dear Officer Jeska,

Thank you for updating me on my re-designation status yesterday. I have had a habeas corpus petition pending in the Western District of Washington since 09/08/2023 and I need to notify the Court about any impending movement, such as the custodial transfer to another jurisdiction which was requested approximately 2 weeks ago. Would you please provide a general time-frame of when I can expect to be redesignated to a new facility and physically transferred there. It could also impact my ability to undergo surgery and I need to inform the Court in Cause No. 2:23-cv-01407-jhc-dwc.

Thank you,
/s/ Mahsa Parviz

Dear Mr. Caughill, thank you for speaking with me yesterday about my habeas action in Western Washington, Cause No. 2:23-cv-01407-jhc-dwc. The habeas AUSA's email is Lyndsie.R.Schmalz@usdoj.gov. If you could suggest a joint proposed order to her or just let her know that SeaTac is waiting on a court order to have Grand Prairie perform my sentence computation, that would be great.

Lastly, since I'm still here, I'd like to know if I can get visits with my daughter. Earlier this week, I received a copy of a fraudulent affidavit wherein my child's father attempted to put my daughter in foster care. This affidavit formed the basis of my charges and has kept me away from my child for several years. I am able to provide you a copy. I believe she's in CPS custody in the State of Texas and would appreciate any help with facilitating visits.

Thank you,
Mahsa
